

Labor Compliance for Public Works Projects

The San Diego Community College District (SDCCD) invites you and your guests to join us for an informative and engaging Labor Compliance/Apprenticeship seminar.

This seminar will focus on the critical steps needed to ensure your firm, and your subcontractors are meeting the applicable requirements on public works projects.

Some topics to be covered include:

- What to do once a project is awarded
- How to search for critical project information
- How to determine the correct scope, classification, wages and applicable increases
- What forms are required, and when do you submit
- ECPR and DLSE's current role in LCP
- Apprenticeship requirements

In addition, special guests from the State of California DLSE and DAS will be in attendance to answer questions, as well as a local labor attorney.
